

Top Ten Reasons To Choose A Cruise

By STERLING TRAVEL GROUP

1. **Choose to cruise for VALUE.**

One cruise fare price buys your accommodations (also known as cabin or stateroom), entertainment, dining, snacks and more.

2. **Choose to cruise for ROMANCE.**

Secluded beaches, en suite dining on your balcony overlooking the ocean and spa services for two are just some of the romantic options.

3. **Choose to cruise for CUISINE.**

Tantalize your taste buds with gourmet fare that showcases exotic ingredients, old standbys like pizza and ice cream, or spa cuisine for a healthy alternative. Dine in a traditional restaurant setting like those featured at the specialty restaurants, a small bistro or a casual eatery. If buffets are your thing, check out the Lido Deck by the pool; always something for everyone.

4. **Choose to cruise for VARIETY.**

With hundreds of distinctive ships, worldwide ports-of-call and an unbelievable array of places to see and things to do, there is a perfect cruise for you. Consider a pre- or post-land tour to complement your already perfect vacation.

5. **Choose to cruise for ACTIVITIES.**

Fill your days with sightseeing, sports activities, cultural lectures, education tours led by naturalists and historians or simply lounge by the pool and relax. At night, enjoy Las Vegas style shows, dance extravaganzas, musical revues, gaming or a quiet evening gazing at the stars.
